*WITH OR WITHOUT YOU*

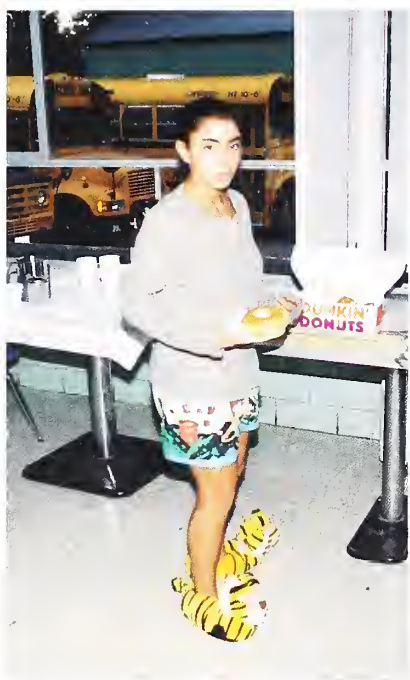

# SENIOR BREAKFAST • SEPTEMBER 20, 1997

*Colors of the Wind*

You think the only people who are people  
are the people who look and think like you,  
But if you walk the footsteps of a stranger,  
you'll learn things you never knew you never knew.

-- Vanessa Williams

*Lean on Me*

Lean on me when you're not strong.  
I'll be your friend.  
I'll help you carry on.

--Bill Withers

*I Will Remember You*

I will remember you.  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories.

--Sara McLaughlin

*Fly Like an Eagle*

Fly like an eagle to the sea  
Fly like an eagle let my spirit carry me  
I want to fly  
Fly right into the future.

--Seal

## JUNIOR/SENIOR SEMI

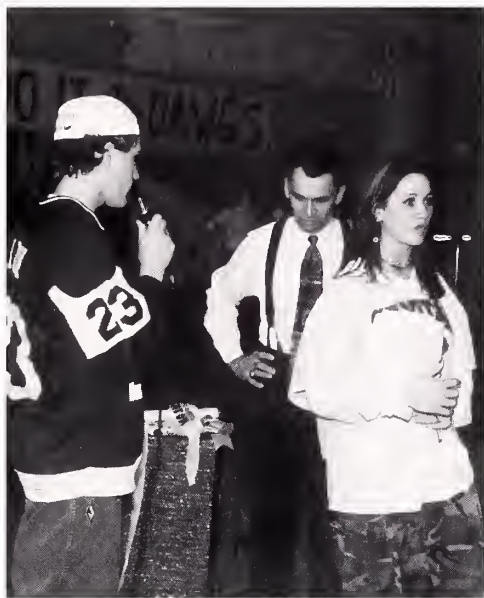

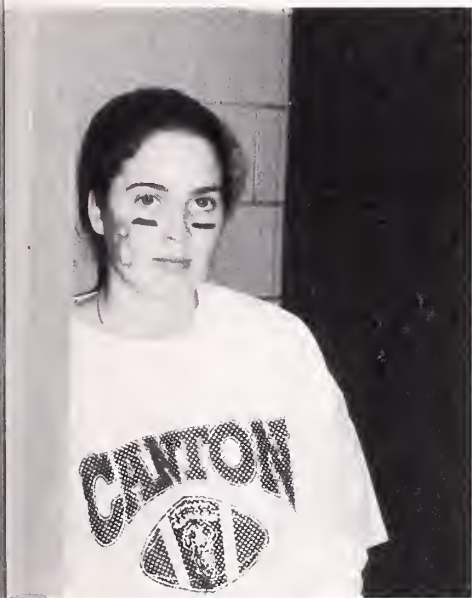

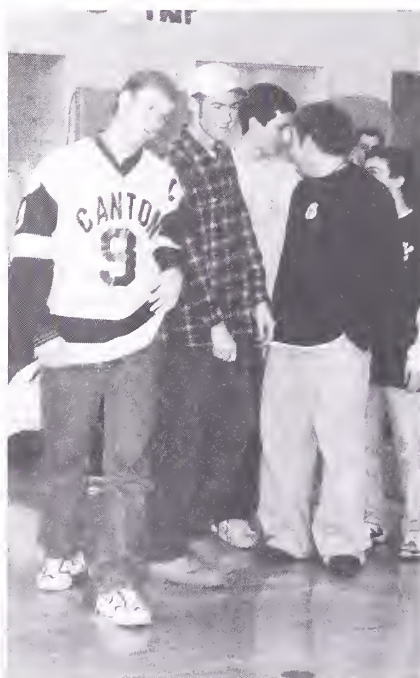

## SPORTS RALLY

## POWDER PUFF

Once upon a time there lived two rival lands, and one great tradition. The lands were known as Canton and Stoughton, and the tradition was one that took place on the eve of Thanksgiving Day. It was a tradition that united neighbors, gathering them on the sidelines of the field of battle to cheer on their fearless young women. The people would gather for the great event known as the Powder-Puff Football Game to support their own Senior girls- the Bulldogs and the Black Knights.

On November 27, 1997, the day of the great battle, the Senior girls from Canton marched to the field deep in the heart of Stoughton. But they were not alone. They brought with them excited fans, a great coaching staff of Mr. Sweeney and Mr. Horack, and tremendous energy. The girls were fighting for a win against a team that had not been defeated in seven long years.

As the Canton girls took to the field, they knew they were prepared. Led by a fearless quarterback, Brianne Bognanno, the team displayed a near perfect offense and an equally aggressive defense. With passes fired like cannons into the hands of Christine Ravesi (twice) and Tara Talbot, the Bulldogs crossed the enemy lines into the end zone. These three touchdowns were accompanied by two two-point conversions, one scored by Katie Leverault and the other by Talbot. But the offense was hardly the sole hero. Led by captains Joanna Jarrett and Mikaela Sparks, the defense came up with a number of very important stops. Holding the Knights to only 14 points, the Bulldogs finally prevailed 22-14. The Senior girls then marched back to Canton, victorious, and lived happily ever after.

## HOCKOMOCK LEAGUE CHAMPIONS

Row 1: Rich Daniels, Mike Arico, George Thomas, Adam Shain, Tim Chandler, Ryan Dobbyn, Alex Solodyna, Andrew MacDonald, Tim Spiegel, Mike Earle. Row 2: Coach Gary Lacombe, Vinny McLellan, Mike Quin, Wes Rawding, Ben Driscoll, Dave Earle, Brendan Ryan, Rob Conroy, Anthony Balsamo, Chris Rogers, Keith Conroy, Aaron Goldman, Coach Dan Erickson.

The Bulldog's 1997 season has been the most successful in the programs history. The squad finished the regular season with a 15-2-1 record and a first ever Hockomock League Championship. The team improved from an 8th place finish in 1996 (12-3) to capture the title. As the first seed in the South Sectional Tournament, the Bulldogs advanced to the Semi-Finals before losing to Duxbury High School by a 2-1 score.

The Bulldogs success in the regular season was in no small part based on a solid defense. The team allowed only 14 goals in 16 games this season and have allowed only five goals in the last ten games. Five of the teams players were selected to Hockomock league All-Stars.

# SOCCER

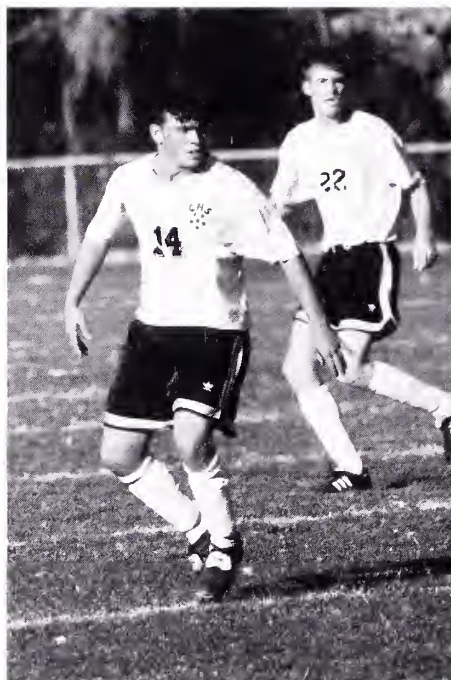

Row 1: Jennifer Potts, Leanne Ryan, Lauren Cooper. Row 2: Christina Campbell, Lily Lash, Jennifer Blundo, Stephanie Rizzo, Lisa Pietro, Courtney Caulfield, Karen Cahill. Row 3: Lauren Dicki, Meredith Magee, Julie Marshall, Amanda Solodyna, Michelle Gann, Anne Murry, Kendra Campbell, Kristen Boyle, Christine Ravesi, Elena Tosi, Coach Robert Ringuette.

It's been said before that a team's record does not necessarily reflect their success; and that it's not whether you win or lose, but how you play the game. These two statements are especially true for the 1997 girls varsity soccer team. Led by Team captains Steph Rizzo, Amanda Solodyna and league All-star Christine Ravesi, the lady Bulldogs tallied a 4-13-1 record. Taking into account season-long injuries, frigid game days, and bitter rivalries, the lady dogs proved leadership, character, sportsmanship, and unrelenting will power. Next year's team will be without and surely miss the seniors (including 5 starters) but also the guidance and coaching of Ringo (Bob Ringuette) who retired after 14 years as head coach.

# FOOTBALL

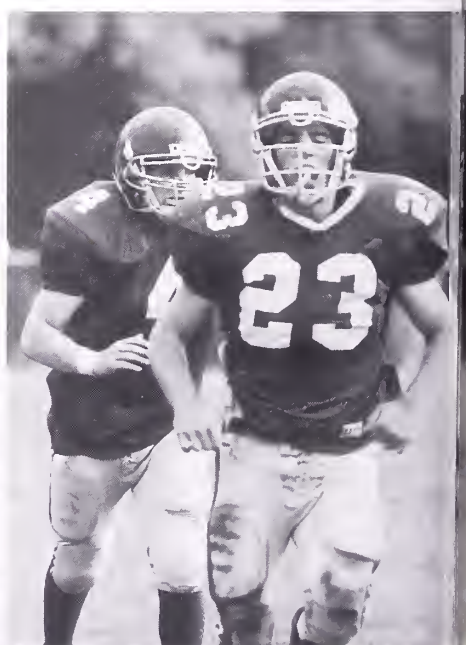

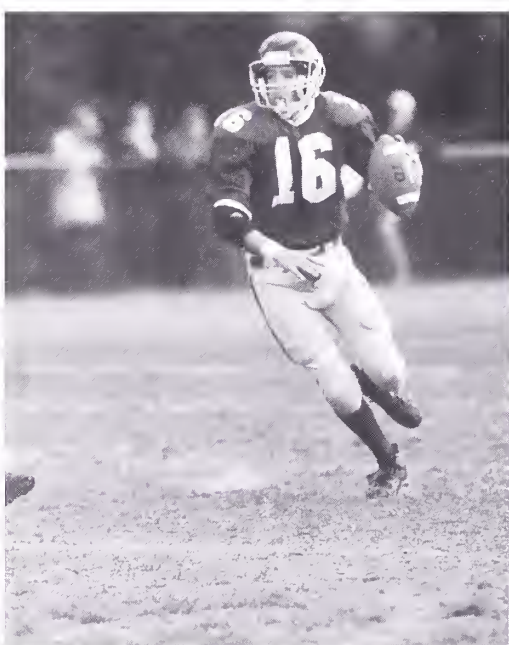

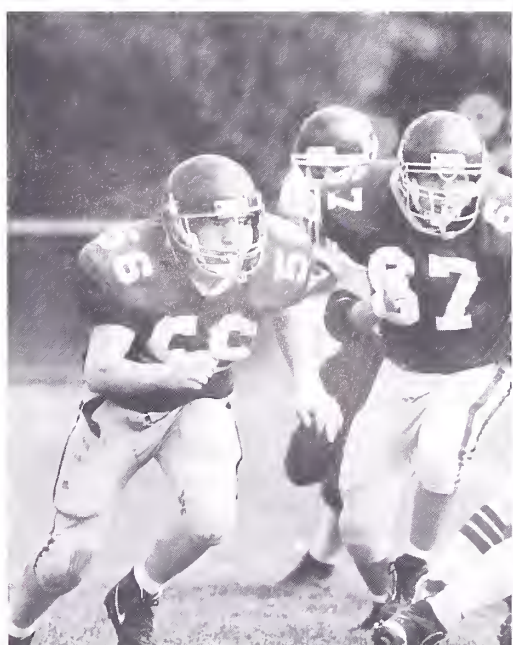

The 1997 Canton High Varsity Football Team was not expected to succeed much this season. It was always about them overcoming adversity. With very few numbers on the team and not many seniors, underclassman were asked to step up and take a varsity role. Many thought the young and low-numbered Bulldogs would be lucky to win one game this season. The team surprised everyone when they won their first two games beating Boston Latin and Bedford, both of which were shutouts. Another big win for the Bulldogs came against Sharon, at home, on a rainy day, where Canton defeated them 20-0 with another shutout victory for the defense. The team did struggle a little in league play, and though it was close, the Bulldogs couldn't pull out a victory on Thanksgiving Day. They were in every game other than North Attleboro and Foxboro (both of which finished first and second in the Hockomock League). This team, despite its record of 4-7, did over-achieve all year. They were a team of no individuals. Everyone was needed for every goal to be accomplished. This is perhaps what made this team so special. The Bulldogs will lose nine seniors, including tri-captains Mike Thornton, Matt Foley, and Dave McSweeney. Senior Mike Thornton was named as a Hockomock All-League Player.

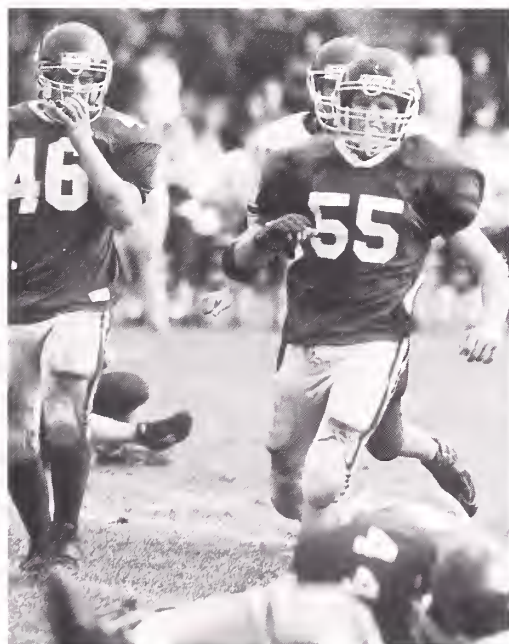

Row 1: Sean Berardi, Will McKendall, Mike McSweeney, Mike Thornton, Dave McSweeney, Matt Foley, John Merchant, Jim Wilcox, Joe DeFelice. The 1997 CHS field Hockey Team had a very successful season this year. Led by co-captains Kara Lanigan and Kate Coleman the team finished third in the Hockomock League. The team finished their season with an 8-5-3 record after defeating Ashland 3-1 in the preliminary round of the state tournament. Overall the girls had a great season and are looking forward to an even better one next year.

## FIELD HOCKEY

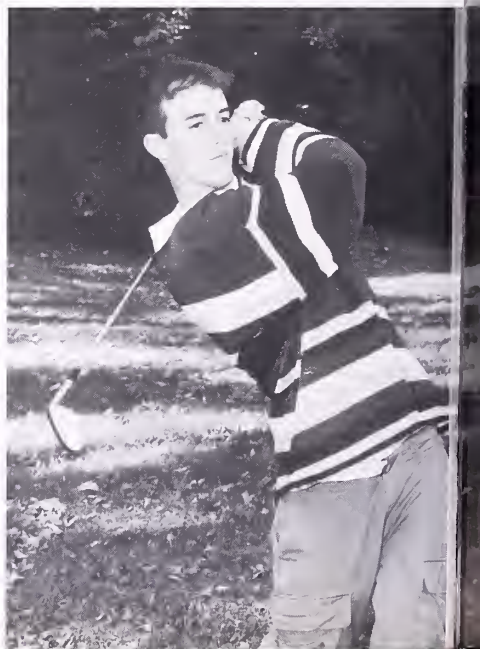

# GOLF

Row 1: Jacob Raich, Tom Withee, Scott Cusack, Tim Arico, Greg Hartley, Chris Donnelly.  
Row 2: Mike Bower, Dan Durant, Jon Hartley, Matt Dunn, Ryan MacDonald Coach Joe Roache.

The Canton golf team finished the season a little below average this year posting a respectable 11-5 record. They were disappointed to lose their reign at the top of the Hockomock League. However, on an individual basis, the Canton High golf team was amazing. Junior Captain Matt Dunn ended a spectacular season by finishing as Division II State Champion. Dunn along with fellow Junior Ryan MacDonald who finished second, only by one stroke, in the Hockomock Individual Tournament, will hopefully lead the young golf team at Canton High back to their rightful spot at the top.

## CROSS COUNTRY

The girls' cross-country team was coached by Nancy Staples to a successful season. Jen Teahan and Ali White led the team to good victories against their competition. The cross-country team is looking forward to a successful season in 1998.

The boys' cross-country team was led by Ed Pomeroy, Jon Carlozzi, and upcoming star James McKenna. Coach George King and the rest of the team put in excellent efforts, and plan to have better results next year.

Row 1: Allison White, Jenn Teahan, Frances Shafir. Row 2: Laura Woods, Emily Duffet, Alexa Mills, Talethia Reddick, Katerina Tassiopoulos, Gizelle Richards. Row 3: Coach Nancy Staples, Blanka Drozdal, Ivy Chen, Nicole Pappas.

Row 4: Alison Gold, Tracy Woods, Lauren Stoloff, Camille Bright, Co-captain Tara Talbot, Kristie Chin, Co-captain Kate Milstein.

If one were to come to a CHS Swim Team meet and see girls swimming in sweatshirts or girls struggling to swim while balancing a golf ball on a spoon that's in their mouth, that person may wonder what kind of swim team this school was running. The answer is simple, a FUN one. Led by captains Kate Milstein and Tara Talbot and in a conference that is stacked with powerhouse teams, the CHS swim team worked hard to achieve a record of 6-7. And after the hard work was over, it was time to have fun. That was when the "Fun Meet" took place, with relay races like the ones spoken of above, along with a "Long Jump" event off of the diving board that turned into a "Belly-Flop" contest. This meet with visiting teams Norwood and Stoughton, ended a great season that included a school record in the 200 Free Relay being set by Aliza Ginsburg, Alison Gold, Jen Zukauskas, and Tara Talbot.

## SWIMMING AND DIVING

# WRESTLING

It was a difficult season for the Canton Bulldogs wrestling team. With a roster loaded with freshmen and competition in the tough Hockomock League, they knew it would be difficult to succeed.

The team ended up finishing 7th in the Hockomock League, but matches against Stoughton and Mansfield were decided by ten points or less. The Bulldogs just had too many freshmen and too little experience.

Some of the freshmen, however, bring great promise. Mike Fitzgerald, Dan Berger, James Lowell, Sean Rockwell, and Eddie Sullivan earned varsity letters. Michelle Bisnaw and Emily Pike became the first young women to join the wrestling team, and both did outstanding in tournaments for female wrestlers. Jon Doran, Paul Foley, Mike Karwin, David Kayserman, Chris Luke, Jon Perrotton, Brian Schlossberg, and Jon Sevieri should also help the team in the future. Non-freshmen rookies Jon Pollack, Steve Volpe, and James Charette saw some action as well.

The returning veterans added stability to the lineup. Lightweight Jay Peyser saw his first taste of varsity action, and tore up the league before hyperextending his elbow. Tom Thornton battled injury and illness to provide some key wins. Steve MacGregor finished seventh in sectionals. Sean Ryburn had another excellent season, winning the Peckham tournament and taking third in sectionals. Chris McCarthy and Kevin Graham both improved greatly.

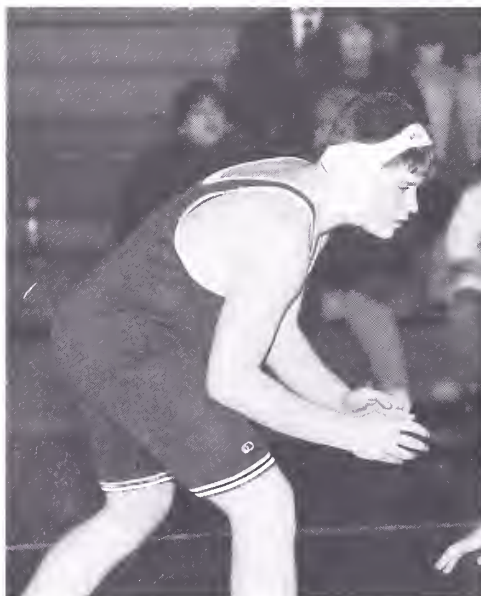

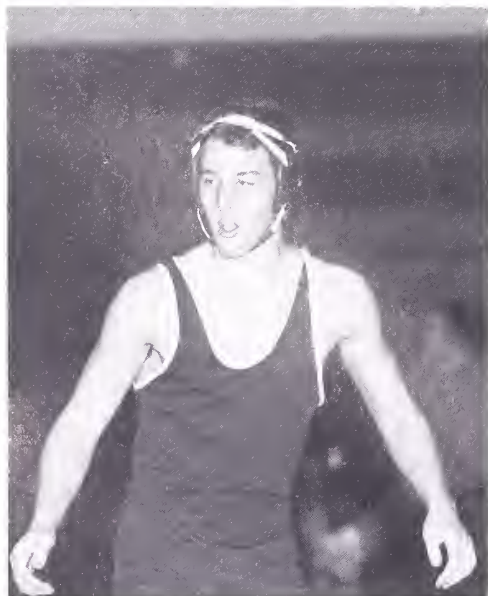

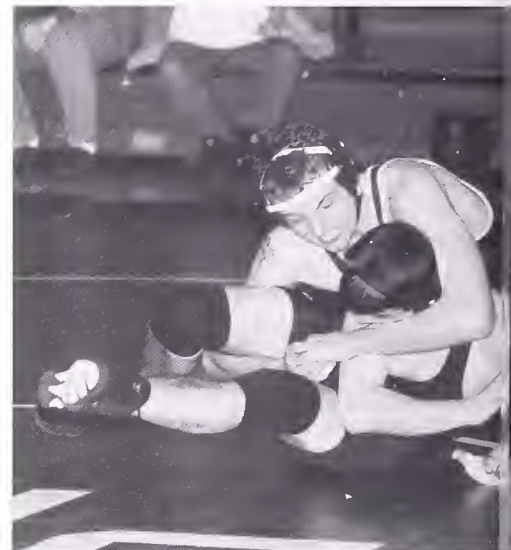

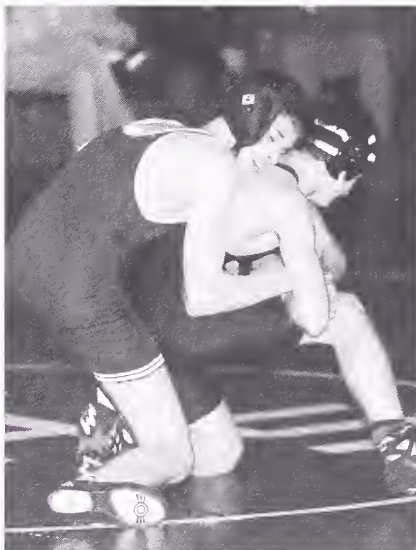

The returning seniors had something to prove. Assistant Captain David Archibald had some good matches throughout the season. Captain Mike McSweeney dominated, taking fourth in sectionals. Aaron Goldman, also a captain, used his excellent technique to guide him to third place in sectionals.

Of course, two-year captain Rich Daniels stole the show. At the famous Lowell Holiday Tournament, he took second, the best showing ever by a Bulldog. Then, after a tumultuous middle stretch of the season, he turned on the heat for sectionals. Daniels rolled to the finals where he defeated Foxboro's Scott Flaherty, 6-3. In states, he again dominated, beating Karson Mui of Wellesley 12-10 in overtime to win his second state championship.

The Bulldogs had a difficult year, but their troubles were overshadowed by future promise and outstanding individual performances.

The 1997 Canton High School Basketball team was in every game and played everyone tough throughout the season. With the leadership of the seniors, the team went into every game as confident as the first and believing that they could win. This year's Captains were Kenner Johnson, Mike Kennedy, and Ricky Jablonski. In the Walpole Tournament the Bulldogs made it to the championship game.

Row 1: Captain Mike Kennedy, Mike Rushworth, Victor DaSilva, Ken Fischer, Brian Pendergast.

## BASKETBALL

If ever you need a nail-biting, nerve-racking, hair-pulling experience, attend a CHS Girls' Basketball game. If you can bare the excitement, you will find yourself caught up in the thrill. You will see nine girls fighting for every rebound, struggling for every point, and diving for every loose ball. More importantly, you will find heart. With their play, the girls demonstrate their love for the sport and their incredible hunger for an exciting game.

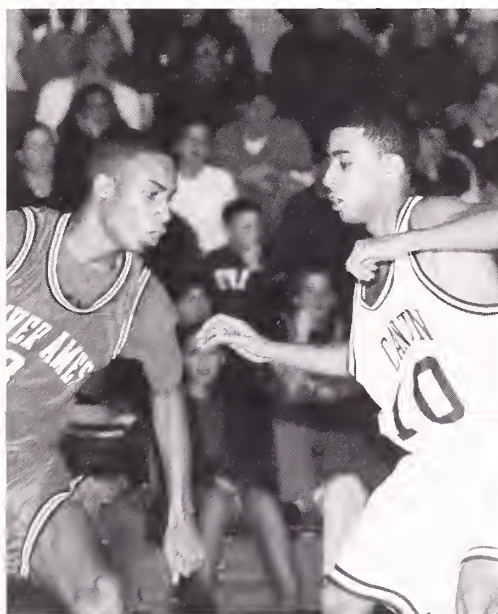

Competing in what is considered by many to be the strongest league in the state, there is never a guaranteed win for the Lady Bulldogs. There is only one thing that is for sure: the CHS Girls' Basketball team will never go down without a fight. A perfect example of this are the two games versus Foxboro. Facing the Warriors in Canton, the Bulldogs defeated the reigning Eastern Massachusetts champs for the first time in five years. But the Lady Bulldogs would not stop there. A month later, when they visited Foxboro, the Bulldogs participated in one of the most exciting games that high school sports has ever seen. Coming back from a twelve point deficit, the Bulldogs threw the game into overtime and with their incredible determination, they defeated the Warriors for the second time that season.

The team will surely miss the play of seniors Brianne Bognanno (co-captain,) Tara Talbot (co-captain,) and Christine Ravesi and the seniors will surely miss Mr. Carta, Mr. Healy, and the team that will always remember with a smile.

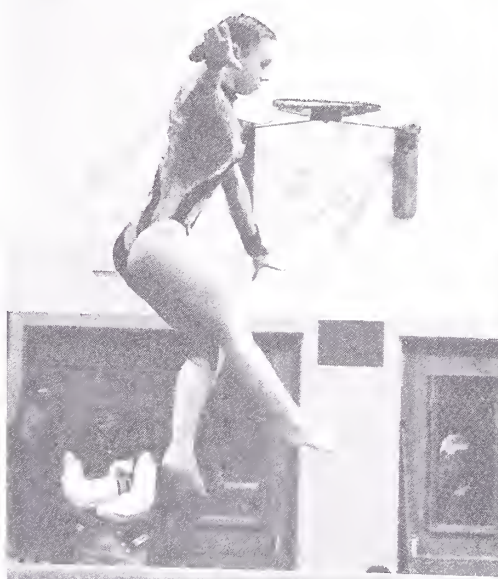

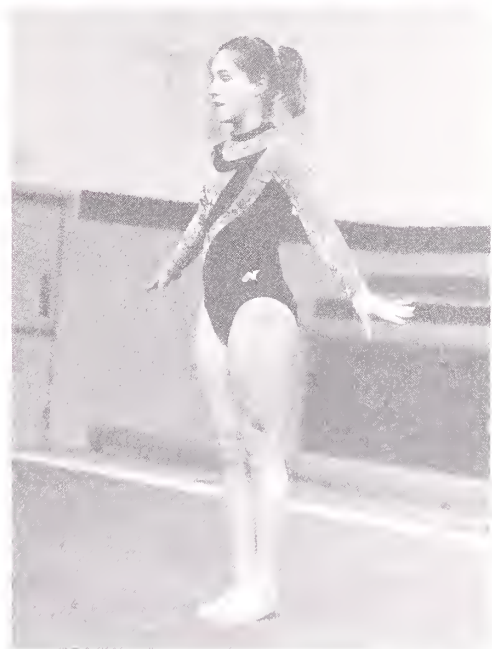

When looking at the banners hanging in A-gym, the many years on the banners indicate which years the team has won the Hockomock league. Now, another year will be stitched on as well. The girl's gymnastics team under the leadership of co-captains Kristie Chin and Kate Milstein, along with Coach Kevin Kelleher, were co-champions this year in the Hockomock league. Losing eight seniors last year was straining, but the girls worked hard, fought for the league, and came out on top. The final record for the season was 12-1, with their only loss to North Attleboro. It was a very young team which consisted of only four juniors and seniors; the rest of the 16 girls were underclassmen. With many laughs, memories, and good times, the 1997-1998 girl's gymnastics team will never be forgotten.

Row 3: Coach Ted Dobbins, Coach Sean Rizzo, Tom Withee, Bryan Leahy, John Gillespie, Matt Moles, Sean Goode, Andrew McShea, Captain Donald Daley, Captain Brendan Ryan, Kevin Carlton, Coach Buddy Yandle.

This years hockey team went through major transition with new coach Buddy Yandle, the loss of eight seniors, and new goal tending duties from junior Keith Ryan. The team will have a great group of seniors that will take their experience to the MIAA Tournament. Donald Daley and Matt Moles will provide a solid defense for the dogs and the ever so flexible James Young will go back and forth from forward to defense to help the team where ever he is needed. Jon Hartley, Brendan Ryan and Sean Hickey, after outstanding last years, will give the Bulldogs an exciting offense that will be sure to light up every team. The additions of Mike Bower and Sean Goode add desire and heart to the team along with giving more depth that the squad will need if they want to go far in the tournament. Overall mark this year as another consecutive year in which the hockey team has made the dance.

## INDOOR TRACK

The Boys Indoor Track Team finished with a record of 3-5, the school's best in 12 years. Captains Jarrod Goldstein, Brian Schleicher and Eddie Pomeroy revealed the true meaning of what track would, should and will always be. With their strong leadership, each member of the team put forth and demonstrated their best effort.

The Girls Indoor Track team individually did very well, even though the record does not reveal the heart and soul each girl contributed. Captain Amanda Solodyna was very successful in demonstrating consistent effort in her last year of track. All of the girls did very well; hopefully they will all be back to an even better season next year.

Overall both teams completed individual goals which left a mark for history to remember.

## TRACK AND FIELD

The 1997 boys' varsity baseball team had a good season, ending with a record of 500. With wins and losses each equaling 10, the boys made it to the tournament, winning the first game 5-0, but losing the second game by a close score of 6-5.

Coach Tom Healy is optimistic about the team of '98. He thinks that the team can definitely improve on last year's record, especially with the help of senior captains Brendan Ryan and Brian Schleicher.

Regardless of the graduated seniors of last season's team, Healy says that there are a lot of young people to contribute to '98's hopeful success.

# BASEBALL

Row 1: Willy McKendall, Brian Baril, Sean Coughlin, Kenny Mercogliano, Kevin Carlton, Andy Zides, John Pasciucco, Neal Oster. Row 2: Mike Stuart, Sean Lanigan, Kenner Johnson, Captain Brendan Ryan, Dan Goodman, Captain Brian Schleicher, Dave Kimball, Sean Hickey, Mike O'Brien, Coach Tom Healy.

Row 1: Erin Healy, Cara McShea, Co-captains Kate Levrault, Kara Lanigan; Gina Mellon, Tracy Callahan. Row 2: Coach John Horack, Katie Curry, Ann Marie Sheridan, Karen Magno, Andrea D'Attanasio, Lauren Dickie, Melissa Sogard.

Canton High's Lady Bulldogs finished the 1997 softball season with a record of 11-9. Winning the last 8 games of the season brought them to the tournament, only to lose it to Apponequet High School by a score of 4-0.

Another highlight of the season was the 2-1 win in the Randolph Tournament on Memorial Day Weekend, a personal favorite of Coach Jack Horack.

Even though the '97 season graduated five seniors, Horack is confident about the incoming girls, due to the continuing success of the J.V. team in the past years. CHS's softball team plays in a very competitive league, therefore, this year is going to be very competitive. However, things look reasonably bright for the Lady 'Dogs of '98.

## SOFTBALL

The 1997 girls tennis team was faced with many challenges including the loss of several key players from the '96 team. Coach Joe Gaudet and the rest of the team overcame those challenges with lineup changes, hard work and a great attitude ending the season winning over half their matches and making it to the state tournament. The Lady Bulldogs should have another fun and exciting season in '98 led by senior captains Blanka Drozdal and Amanda Solodyna.

Row 1: Blanka Drozdal, Laura Woods, Julie Berteletti, Pallavi Singh, Karen Woods, Melissa Rogers, Christina Botti. Row 2: Kristin Boyle, Emily Duffett, Courtney Cokely, Elia Spiropoulos, Captain Amanda Soldyna, Christina Botti, Lisa Lore, Coach Joe Gaudet.

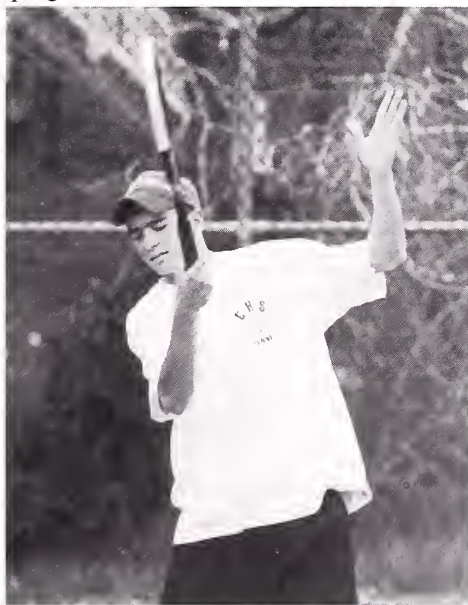

## TENNIS

The boys varsity tennis team had a successful 1997 season, losing only to Oliver Ames and league powerhouse, Sharon, making it to the state tournament. With Dan Erickson replacing Bob Verdun as head coach and several lineup changes, the Bulldogs looked like a different team, but they still kept up their winning ways dominating most of the Hockomock league. Although the team has graduated several seniors, the 1998 season looks promising, led by senior captain Mike Bower, and seniors Ryan Dobbyn, Michael Forman, and Richard Paisner.

Row 1: Ryan Dobbyn, Kevin McCarthy, Sean Haigh, Tim Spiegel, Rich Paisner, Todd Barosky, Dana Burwell. Row 2: Adam Small, Seth Malamut, Jon Novack, Craig Harsfield, Mike Forman, Captain Mike Bower, Matt Spiegel, Coach Dan Erickson.

Row 1: Jen Mathena, Julie Pfingston, Michelle Seguin, Kelly Flynn, Carolyn Joyce, Alison D'Attanasio, Joanna Jarrett, Kristy Yarosh, Melissa Shuman, Tiffany Weber. Row 2: Naomi Diaz, Michelle Carlucci, Jackie Daly, Jaime Mathena, Ashley Connors, Michelle Giampietro, Kim Johnson, Kelly Bowser, Alexis Demas, Angela Kulas.

For the third year in a row, the cheerleaders have qualified to compete in the CANAM National Competition in Myrtle Beach, S.C. Their rank has improved from 17 in the country to 12 and they hope to do even better this year. Also they hope to be the New England Regional Champions again. After placing first at a summer camp and winning various other awards, they hope this will be their best season yet under the leadership of co-captains Kelly Flynn, Allison D'Attanasio, JoAnna Jarrett and Carolyn Joyce.

## MATH TEAM

This year the Canton High Math Team has once again upheld its tradition of dominance among schools across New England. Along with the dedication of coaches, Martin Badoian and William Sweeney, the hard work and persistence of each member has led to the continuing success of the team in regional, state, and national competitions. The team prepares year-round for contests in three leagues: the Greater Boston Mathematics League, the Massachusetts Mathematics League and the New England Mathematics League. All of the practices and league meets are used as preparation for the Massachusetts and New England Championships, where Canton has proven to be among the top schools for the past 33 years.

The members of the team also compete in individual state contests, such as the Olympiad. Many students were successful in the American High Schools Mathematics Exam, a national test of ability and skill.

Out of the classroom, the team is involved in many fundraising activities. They operate a concession stand at Foxboro Stadium for all Patriots and N.E. Revolution home games, as well as other stadium events. The team also runs a snack stand every morning at school and at CHS football games. Much of the money raised is put toward student scholarships.

### THE CAST

*Row 1:* Liza Waldman, Melissa Roberts, Melanie Shain, Lauren Archibald, Michelle Cohen, Rich Paisner, Allanah Gustavson, Elaine Loh, Leonard Burri, Christine Walsh, Joe Tremblay, Brian Doherty, Scott Staiti, Ryan Dobbyn, Blake Logan. *Row 2:* Kelly Conway, Michelle Cohen, Melissa Rodenheiser, Kim Gibbs, Jessica Low, Camille Bright, Efrat Kussel, Virag Zahajzsky, Adrienne Parker, Rasheed Haneef, Andrew Bryant, Andrew Saluti, Jeremy Hache. *Row 3:* Rebecca Lewis, Jessica Dyson, Jessica Ryan, Melissa Klezmer, Magdalena Zmrzla. *Row 4:* Kacee Staiti, Colleen Thornton, Lisa Schottenfeld, Liz Manganiello, Kate Burke, Catherine Burke, Amy Foley, Kristen Lawrence, Laura Woods, Melissa Sogard, Andrea Carey, Sara Page, Rachel Martin, Courtney Cokely, Emily Duffett, Nicole Dileso, Karen Mulvey, Melissa Rogers, Kate Johnson.

This year's winter production was the Broadway hit, *No No Nanette*. The play consisted of a rather large cast of energetic talented students. Day in and day out, the cast spent hours singing, perfecting lines, and practicing dance steps. On top of all that, everyone had fun.

Casting started in mid December and practices went on every day until mid March, but the planning started long before that. Mrs. Marilyn Curran, Mr. Gary MacNamara, and Director Mr. Richard Rousseau have worked very hard for months to make the production a successful one. They should be commended for the time and efforts. All the hard work of the cast and crew paid off.

One of the feature songs of *No No Nanette* is called "I want to be Happy." That song tells the tale for all the cast members. That's what the play is all about. Everyone wants to be, and is, happy.

Seniors, including leads Elaine Loh, Joseph Tremblay, Richard Paisner, Alannah Gustovson, Christine Walsh, Virag Zahajszk, Camille Bright, Efrat Kussell, and Adrienne Parker, will all be missed greatly next year.

The *Spectrum* has accomplished and achieved so much this year and I can't express in words just how proud I am to have been a part of this newspaper.

Not only was the *Spectrum* enjoyed by the CHS student body, but it was also enjoyed by the public. The town of Canton finally got a real taste of life at Canton High when they read our editorials, studied our intriguing photographs, and discovered new happenings and points of interest in our News, Features, and Arts and Entertainment section.

Our editors worked non-stop. They were constantly coming up with amazing and creative concepts that kept our readers interested, entertained and informed. The staff tried many new ideas, (To Eat or Not to Eat..., Forman's Forum) and each one was a success.

The *Spectrum* was also blessed with a loyal and hardworking layout staff that spent entire weekends putting the paper together piece by piece. And Mr. Peter Ladow, the paper's advisor, was always willing and able to help us with his guidance and knowledge.

It has been an honor to work with these talented reporters and fantastic photographers. They really are the stars of tomorrow.

## ECHO

The world believes that it would be impossible to capture four years of a life and put them in a book. Too many pictures would need to be taken, too many memories would need to be written down and too much love would have to squeeze into a set number of pages. The world believes it would be too difficult a task to accomplish.

The world has yet to meet the dynamic staff of ECHO, CHS's famous yearbook.

Throughout the course of this year, the editors and the staff of ECHO have worked very hard in order to capture every memory possible. School dance? We sent photographers who snapped pictures by the dozen. Canton High's soccer team is performing at an amazing level? We were there to do a write up. Special moments of fun and friendship in the halls? We were there to snap a candid.

The staff worked tirelessly, collecting snapshots, laying out pages, sorting through baby pictures, and getting ads for the yearbook. Although it wasn't always an easy job, everyone had a smile on their face.

Speaking for the staff and myself, we could never have completed the yearbook without the efforts of Mrs. Judith Healy, who always encouraged and guided us. We are all honored to have been secretaries of your precious memories. The future holds so much for the students of CHS, but as we progress, we must never forget the past. It is the past that made us into the promising young adults that we are. Good luck and Godspeed.

## *Special Thanks and Good Wishes*

Sadly, CHS is saying goodbye to Mr. Bruce Schauble. After 27 years in Canton, he will return to Hawaii where he first started his teaching career. Many students have been lucky to know Mr. Schauble as a teacher, a coach and a friend.

Mr. Schauble has the gift to turn his classroom into a stage. His animated lessons bring to life Beowulf and Grendel. His knowledge is limitless. Mr. Schauble has always been able to work with any student at any level. Perhaps most memorable is how easy it is to bribe him with chocolate chip cookies.

*Prism*, Canton's literary magazine, has been under the advisement of Mr. Schauble. His deadlines, instruction, and moral support have been major contributors to its success.

As a coach and fan, Mr. Schauble provides insight and knowledge of a sport he loves. He was the girls' varsity basketball coach and more recently, the girls' freshmen basketball team. He always attends the varsity basketball games and makes a point of being on the sidelines for his students.

Moreover, as a friend, Mr. Schauble's genuine concern extends beyond the classroom and the school day. Students as well as faculty regularly seek his advice. He has an ability to step out of the instructor's role to treat and to guide us as individuals.

We, the class of 1998, heartily thank Mr. Schauble for his ability to enable his students and athletes to learn, to develop, and to improve. We will always be grateful for his involvement with *Prism*, basketball, and most importantly, for his unique interaction with his students.

We appreciate all that he has given us. His students and colleagues will miss him. We wish him all the luck in the future with everything he does. Aloha!

*Mr. Bruce Schauble*
